***KOKET** Redefines Confidence in Milan*

U.S Home Decor Brand KOKET Is Bringing a New Bold Luxurious Attitude to Salone del Mobile this April

KOKET has taken design back to the drawing board for this Spring's Salone del Mobile exhibition, redefining a confident look with daring lines, metallic effects, graphic prints on smooth surfaces, reinterpretations of classics and an overall courageous new style. Be empowered by KOKET's new definition of confidence in Milan at Hall 01 Stand L 14 from April 4th-9th.

Dressed in an amour of cream, champagne, black and bronze the exhibit space will lure you in, and the strong sweeping lines and glamorous metallics throughout will leave you feeling poised to take on anything life sends your way. From the elegant Victorian cast brass hands of the Gisele side table and Vengeance table lamp, the feminine curves of the Cuff chair and Poème casegoods, and the Outburst chandelier's explosion of womanly power, this year's new introductions embody the KOKET brand's feminine soul. As the world evolves and women continue to fight for their rights, KOKET strives to instill confidence in and strengthen the women of the KK world through their designs. Along with a selection of KOKET's iconic favorites, these new empowering pieces are sure to charm and inspire all that lay eyes on them.

Visit KOKET at Salone Internazionale del Mobile, Hall 01 - Stand L 14, from April 4-9, in Milan. KOKET visitors can learn more at www.salonemilano.it.

KOKET - The brand

Daring design aesthetic, high impact shows, lavish presentations and the notoriously risqué ad campaigns, have an uncanny way of conveying KOKET's mission to create highly desirable empowering statement pieces.

The innate desire to seduce and entice its devotees is perfectly illustrated in the Guilty Pleasures & Exotic Opulence Collections. Composed of dramatic case goods, luscious upholstery, exquisite lighting and decadent furs; all of which mesmerize with their magical mineral medley, lux metallics, vibrant jewel tones and exotic peacock feathers.

Since its inception in 2010, the U.S. based luxury brand's savior faire has been intoxicating. The line is manufactured by master artisans and jewelers who leave no detail or element forgotten. KOKET's principal designers are a group of exceptionally artistic and well-rounded product designers who are led by CEO & Founder Janet Morais' creative eye and almost fanatic strive for perfection.

The brand is managed by an elite staff of highly skilled individuals who strive to create moments of design seduction while seamlessly selling the collection worldwide through a selective network of interior designers and luxury retail stores. The darling of the furniture industry carries an admirable list of accolades in the film industry, major international retail projects, top world hotels and hundreds of publications in the most renowned shelter and luxury publications.
