Cleaning instructions Wood, lacquered, and linen pieces have been stained and/or polished to bring depth and beauty to each finish. Although most are protected with either a clear coat or wax, they are still susceptible to wear. Care for your wood and lacquer pieces by dusting regularly with a soft cloth.

Maintain wood, lacquer and mother of pearl by not placing near heaters and air conditioning units to prevent over-drying or exposure to excessive moisture.

Avoid extreme humidity changes in your home, as extremely dry air can cause wood to crack and lacquer to lift. Do not place/leave hot or moist objects directly on the wood. Rubber or plastic left on the wood finish can also damage the finish.
