## ARMCHAIR ALERT: NEW DESIGNS

# Be SEATED

Utilitarian in nature, chairs are now used to decorate interiors and often employed as the showpiece for a lacklustre space or large, empty room. However you wish to use your armchair, why not opt for a bold design and colour to make a dramatic statement.

COMPILED BY  
SELINA GORDEVICH

1. Limited edition re-imagined tall chair in French Riviera by 19 Greek Street, POA, CRITERIA. 2. Weiss Fauteuil, POA, Oficina Inglesa. 3.
