

Red Head to Toe

KOKET turns up the heat for fall with fashion's latest color, red.

KOKET is back for the fall season with the fashion world's hottest new hue: red. As seen on the runways by world renowned designers such as Versace, Prada, Dolce & Gabbana and more, the crimson color is expected to be frequently seen this fall and winter season.

Red is the color of passion, strength and power. It evokes feelings of excitement and empowerment much like KOKET's statement pieces.

Always in touch with the fashion world, KOKET designs are inspired by Paris and Milan fashion weeks. The Guilty Pleasures collection takes fashion design aesthetics and applies them to the pieces to produce luxurious and tantalizing case goods, upholstery and lighting.

This fall, several of KOKET's pieces will be specially featured in scarlet fabrics and finishes.

About KOKET

Love Happened over a simple sketch of a chair in a New York City Lounge over cocktails. As the grace of the pen took to the paper the desire to possess and create other pieces with the same empowerment became euphoric. KOKET is devotion to the seduction of the exquisite and to the provocation of love. Highly influenced by the decorative arts, fashion, flora and fauna, forms and decorative techniques from the glamorous eras reappear in the most sophisticated versions of contemporary trends. KOKET brings empowering style to a highly edited unique collection of furniture, passing on a sense of entitlement, exclusivity and prestige.

LOVE HAPPENS

Several of KOKET's upholstery items will be available in red fabrics. The classic and curvy Nessa chair and sofa, the 1950's Hollywood starlet Desire chair and sofa, the provocative and elegant Ignite bench, and the feminine and sleek Geisha chair and sofa will be among the pieces available in red satins and velvets.

Upholstery items are not the only pieces getting a red makeover. The Gem table lamp will contain a ruby red gem in the center. The Brilliance sconce will showcase a red agate stone slice in the center of the sunburst. The Revè mirror's center mirror will be skirted with a red frame and gold accents.

KOKET has the innate desire to seduce and entice its devotees through its collections. Every piece is hand crafted by master artisans who leave no detail or element forgotten, ensuring a high quality product. Step into the world of KOKET, and prepare to never want to leave.

With Love,

The KOKET Team
