Join KOKET in Paris for New Luxury!

The world has shifted, and with it, also did Luxury. The classic, sumptuous and eccentric definition is no longer in the books. Innovation has prevailed and become, undoubtedly, a criterion to remain in any industry. In the upcoming edition of Maison et Objet, *haute craftsmanship* will be celebrated along with the rising world of technologies.

KOKET is back to ravish the attendees of Maison et Objet. Marking presence with its classic pieces, leaving no chances to fall into oblivion. You can find us at **Stand B50** and **C49** in **Hall 7**, side by side with **Covet House**.

For this edition, KOKET will delight its guests with the Mandy Sofa, Chandra Chair and Muse Sconce. Three names that are no strangers to KOKET's enthusiasts. KOKET never plays safe. Our innovative and daring designs are built by the most talented and wise craftsmen, that defy the impossible. But as the French say: "*Impossible n'est pas français*".

KOKET primes for the richest materials and the most lux textiles. Each piece is exquisitely crafted from its solid wood and foam core to its flawless textile covering. Join us this March at Maison et Objet and dive into a world of "New Luxury".

The **Mandy Sofa** was born from the beautiful form of a cuff bracelet and has marked presence in the most luxurious homes around the world. This fluid and unusual Sofa transcends design and jewelry.
