Detailing: Available in aged, copper or nickel plated brass with high gloss or matte finish

### Requirements

0,5 meters per drawer

### Production Lead Time

Minimum 12 weeks. Delivery time not included.

### Cleaning instructions

Leather is a soft porous material that is sometimes uncoated and can easily absorb liquids and oily substances. Avoid saturating the leather with lotion or water for a long period of time. Care for leather by dusting and lightly vacuuming. Maintain leathers by keeping them away from direct sunlight and heating vents. Leathers are a natural, "living" material that breathe and move as they wear. We recommend that stained or soiled leathers be professionally cleaned.  
Clean polished metal or polished stainless with a damp cloth. Do not use commercial or heavy duty polishes or waxes, as they may scratch or damage the finish. Polishes we do recommend are Brasso, Simichrome, or our favorite Flitz; these can be used without in icting damage even for the unskilled user, unless the polished surface has a wax sealer coat. These polishes will remove the wax while polishing the metal, but the surface would then have to be re-waxed if it is on a metal that needs to be sealed.

## Packaging

Packaging (m)  
WBTO6WH

W. 153,5cm / 60,43in  
D. 54,5cm / 21,46in  
H. 108,5cm / 42,72in

Total Weight (kg)  
WBTO6WH

70 Kg / 154 Pounds

KOKET products are unique one of a kind handcrafted pieces, each item has its unique attributes and impossible to replicate identically due to the human craftsmanship. Slight variations in color, shape in form may occur, but hardly visible to the eye. Product images may also differ from actual piece due to media screens.
